

August 8, 1888

Rev Geo. L. Willard

Rensselaer, Ind.

Rev. dear sir,

I transmit for your information and guidance, a copy of contract for the education of 50 Indian pupils at St. Joseph's Normal School during the current fiscal year.

Authority for procuring the pupils has been asked for.

I trust you are in good health, and are not melting, as we are here.

Yours, very truly,

Chas S Lusk

Secretary
